

## HIGH TECH BENEFITS WITH ZERO EMISSIONS

Join the rapidly expanding green movement with e-Motion's eco-friendly technologies that produce zero emissions, bringing us closer to a sustainable future.

## NEW & ELECTRIFIED

The new Korando e-Motion inherits and reinterprets Korando's original identity. Eye-catching and confident, the e-Motion features an electrified powertrain that maximizes adventure both on and off-road.

## CHARGING THAT SUITS YOUR SCHEDULE

Enjoy maximum convenience, with both AC/DC charging available. Using a DC ultra-fast (100kW) charger, you can reach 80% battery in an estimated 33 minutes from an almost depleted remaining power.

Charge Volume	Drive Range		Charging Remaining Time
1.8kW	314km	97%	1 hr 18 min (100%)

## NEXT-LEVEL PERFORMANCE

Dynamic performance rises to the next level with e-Motion. signature EV quietness, with stable running to deliver exhilarating levels of breathtaking performance.
